Thanks Lauren.

Is there anything else that you can also do to block other variations of his name from impersonation so we don't have this occur again?

Thank you for this. I'm syncing up with our support team so we can determine next best steps.

I might need you to file an impersonation report, but will circle back ASAP.

Subject: @AnthonyFauci_ account

Hi CDC Team -

A few folks have flagged this account to me wondering if it was real or not.

Is this a legitimate account? Or is there a colleague you can put me in touch with to confirm?

@AnthonyFauci_ :

Thank you,
LD
